Job Announcement

We are looking for an experienced Business Director to organize and oversee the daily operations of our company. You will be the one to ensure that our nonprofit business is well coordinated and productive by managing its procedures and coaching its people. This position will help define, implement and revise operational policies and guidelines for the organization.

The ideal candidate will have senior management experience in a dynamic setting. The role requires outstanding organizational, communication, and leadership skills and an ability to develop innovative business solutions that push boundaries. This position will analyze data and metrics to evaluate staff performance, lead and encourage employees to maximize performance, create a supportive environment and ensure a strong talent pipeline. The Business Director will encourage an engaged senior management team and guard our values. The director of operations will work closely with senior management to strategize and develop long-term plans that usher in new levels of business productivity and success for the company.

The area of responsibility for this role is very wide and thus requires thorough knowledge of various company processes. The ideal candidate must be competent and able to plan many different kinds of operational activities. They must be an excellent leader who can discover the most efficient ways to run the business.

A Bachelor's degree from a college or university in business administration or management or a similar field and 7 years of work experience, or at least 10 years of work experience in a related field is required. Strong direction, organizational, and coordination skills, multi-tasking ability,

and attention to detail are necessary. Experience in project direction, management, and facilitation are necessary for the job. For further details, please see full job description.
